

Always FREE! Always FUN!

Online Learning with **TWO WAYS** **TO WIN**

Online learning that's
more fun than ever!

CleverCrazes.com 3.0

FEATURING:

- **"You and the World of Art"** – essential for critical thinking
- Integrated STEAM curriculum
- Interactive activities and games

We are now awarding **cash prizes every week** to an after-school program, a school, and a home-school program.

1. **CleverCrazes.com** online learning, games, and activities

EVERY WEEK

- One **after-school program** with the highest percentage of registered participants wins \$500*
- A **top-scoring school** with the highest percentage of registered participants wins \$500*
- One **home-school program** wins \$100 by random drawing*
- One **after-school program or school playing as a classroom or group** with the highest score wins \$100*
- **36 top-scoring kids** across our academic worlds win \$10 gift cards*

2. **Step It Up and Kickstart Your Brain®** scores are combined with academic world scores!

EVERY MONTH – Compete to Win!

- **216 top-scoring kids** can win great prizes, such as gym shoes, headphones, hoodies, or backpacks*

We have increased the fun for our young scholars by combining their scores from our **academic worlds** and the **Step It Up and Kickstart Your Brain®** challenge. Exercise is important for your body and brain. Move your body, kickstart your brain, and score big points!

REGISTRATION IS EASY!

Go to **clevercrazes.com** and register to play, have fun, and compete for prizes. Parents can also register their kids to play at home.

* See official rules at **CleverCrazes.com**

Our curriculum follows many state standards and significant Common Core concepts.

Our educational games and activities are all designed in cooperation with our Partners in Education, the University of Cincinnati and Purdue University, to help students score higher in school and live healthier lives.

We are very proud....**The American Library Association** has named **CleverCrazes.com** **"A Great Website for Kids."**
